## If you take any R-Garden product... We Want To Hear From You!

If you have benefited from taking R-Garden products let us know your experience by writing a customer review. We are looking for people who would be willing to help others by having their story printed in our monthly newsletter or posted as a customer review on our website.

Simply tell us about your experience with our company or our products. The FDA tells us that only drugs can cure bodily imbalances, but if a product helps you to maintain or promote your health, that is something that we can legally share with other customers.

I'm sure you'll agree that nothing compares to the personal reward of helping others discover remarkable health benefits that can literally change the quality of their lives. I look forward to hearing how our products have helped you.

Yours for good health,

*Don Smyth*
